

DIGITAL PIANO USER MANUAL

简体中文

ENGLISH

This product is subject to change without prior notice

Function introduction

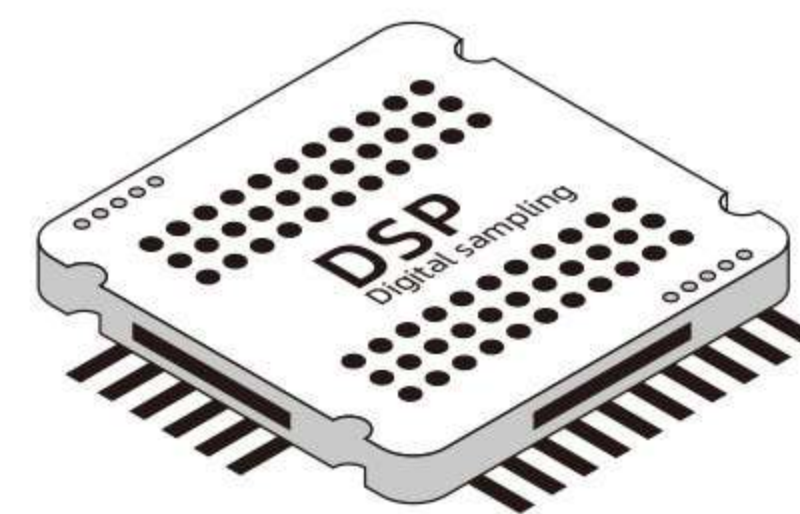

Thank you for choosing our digital piano. This product is elegant and exquisite, which is the perfect presentation of contemporary new electronic technology and acoustics.

- You must read this instruction manual in detail before using this instrument.

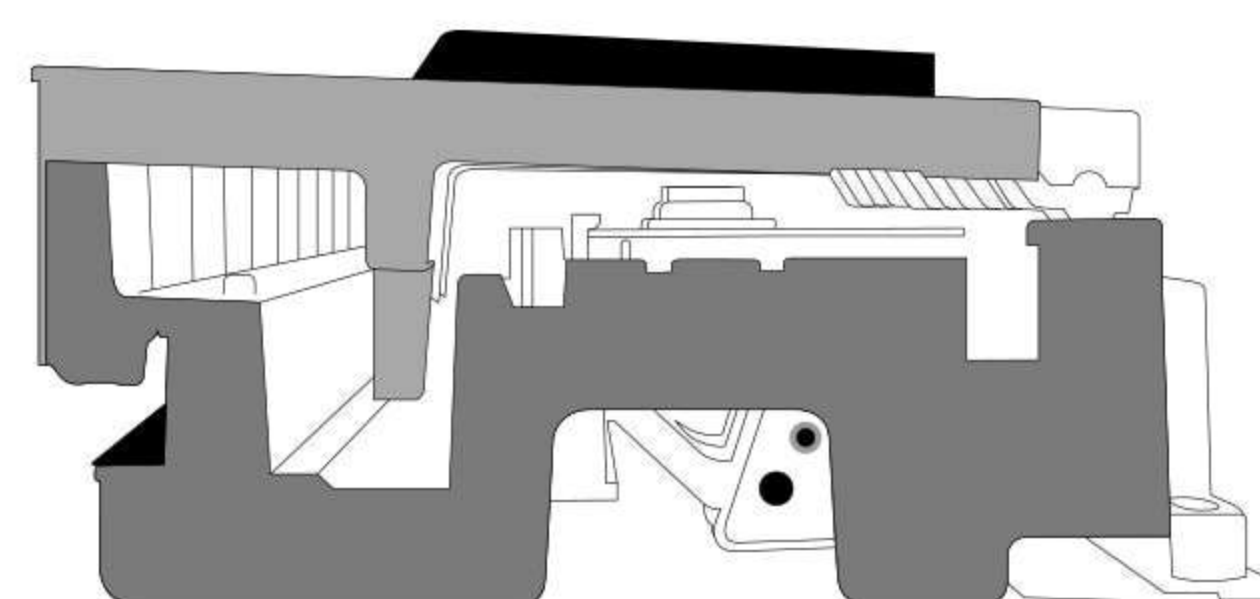

Screen adopts French Dream digital sound source.

Its core adopts DSP new digital sound source and digital audio analog sampling, bringing a realistic auditory experience to your performance.

Single * 88 progressive step-by-step heavy hammer keys

88 key progressive lever step-by-step heavy hammer keyboard gives you a real touch like playing on a grand piano.

- keyboard: 88 standard heavy hammer keyboard
- Color: PVC Black / Red
- French dream dream sound source
- Timbre: 200 Timbres / 200 Rhythms / 100 Demonstration songs
- Power switch / Main volume control
- Weak tone / Continuous tone / Extended tone (Three pedals)
- Metronome / Audio output / Recording function / Chord / intensity
Dual keyboard / LCD Display
- Dual audio headphone output
- USB interface link: USB flash drive, MP3 to play songs
- Product specification: 132cm*23cm*10cm (Height: 74cm of piano leg)
- Weight: 12kg (Net weight)
- Power supply: 15V2A
- Power supply: 6 universal batteries No. 5 (Self-Configured)

NOTE!

- This product is an electronic musical instrument. It is normal for the speaker or earphone to have a little current sound after power on. During use, please stay away from "radio, TV, antenna receiver, router, refrigerator, TV, electrical appliances with motor and other RF electrical interference source.
